

# **LOUGHBOROUGH SPORTING TRIAL**

Sunday 19<sup>th</sup> February, 2012

## **Directions to site** **PLEASE READ**

The road improvements on the A46 are partly completed, so sat-navs will throw a wobbly. These affect competitors travelling from the north via A1 & Newark, the east via the A52 & Grantham and the South M1 and M69 via Junction 21a on the M1.

From the A1 via Newark, the slip road from the new A46 on to the A6097 is not finished. Proceed under the A6097 for one mile to the A52 exit and go right round the island back on to the North A46 to the A6097 Slip road, then 2<sup>nd</sup> exit off island, left at traffic lights, right at tee junction and then straight on to site approx 1.1/2 miles

From Grantham on the A52 join A46 north to A6097 slip road and proceed as above

From Junction 21A MI (M69) leave new section of A46 at A 6097 and proceed as above

**A map is attached showing all approaches, I know it looks a bit like and underground map, but even the locals are getting lost**

Competitors from the west via M1 Junction 24 (A50, A42) Take A453 from J 24, join A52 and follow this road over three islands. Turn Left at second set of traffic lights signed to Radcliffe-on-Trent and Shelford (against RSPCA Centre) turn left at mini island in Radcliffe-on-Trent, site entrance is on the left 200 yards after leaving built up area

After the trial competitors going to the A1 via Newark join the A46 via the slip road.

A52 Grantham and A46 South must go over the A46, turn right at the island on to the old A46 for 1 mile (one way), where A52 competitors turn left (2<sup>nd</sup> exit) and A46 south take the 3<sup>rd</sup> exit on to the A46 South at the next island
